LIVING HIGH.

The price of liver's soaring
Like a Curtiss aeroplane;
The tax that's made for round steak,
Fills me with dismay and pain;
They look you up in Bradstreet's
If you ask for tenderloin,
And what they charge for rib roast
Staggers organ with his coin.
In olden days "my kingdom
For a horse," they used to say—
That's what the dealers soak you
For a pound of chops today.
To get the cost of capon
Why a Bank you'd have to rob.
Last week I saw a woman
Faint when told the price of squab.
A Gould or Astor may have
Turkey on Thanksgiving Day,
But common millionaires must
Dine on scrambled oats or hay.
And as for you and me, pal,
Even ham's beyond our means;
But, bless your soul! I'm thankful
That I've got the price of beans.

popular and hospitable during their occupancy
of the St. Charles and other hotels in Mays-

the management of the famous hostelry in
Front street. The property belongs to the
Maysville Lodge of Elks, who aim to keep it

NEW MANAGER

**Takes Charge of the Maysville Tele-
phone Company's Affairs in
This City**

This morning Mr. E. S. Wells, originally of
Pensacola, Fla., but more recently of Paris,
Ky., assumed charge of the affairs and con-
duct of the Maysville Telephone Company at
this place.

He comes highly recommended as a gentle-
man admirably fitted and equipped for the po-
sition—competent and capable. Wherever
the fault may lie, the service for some time
past has been anything but what it should
have been, and patrons had to content them-
selves with such service as it was, or do without.
It is to be hoped that the coming of Mr.
Wells will mend matters, and that the patrons
in future will receive such service as they
justly are entitled to.

In the meantime we extend a glad hand to
Mr. Wells and bid him "welcome to our city."

At Winchester, they spell pool "p-h-o-o-l."

The wise merchant is never worried by "the dull season."

Wonder how that prize old man grouch, JAMES J. HILL, enjoyed his Thanksgiving turkey?

KEEP in your heart a shrine to the ideal—and upon this altar let the fire never die.—Exchange.

Wonder how long it would take for Court of Appeals Justice O'REAR to reverse the ruling of Judge BENTON in that celebrated Winchester-anti-Burley Tobacco decision? A pair of minutes?

The wise merchant does his advertising early and the wise shoppers also do their shopping early. The same old story of the early bird who was on the ground first and picked up the prize worm for breakfast.

MARSE HENRY is again sensations only when they emanate from the other fellow. Monday the distinguished journalist pulled off a double-leaded, double-column, double-barreled sensation in the shape of advice to the Democrats in Congress and the world in general. The meat of the whole wordy "enunciation" is evidently the first broadside to try to head off BRYAN in 1912.

"SAINT ROOSEVELT" will hardly have a sacred sound to the commercial robbers in the higher-up places of American business.

The lust for wealth often leads people to fall a prey to gold-brick men, green-goods men and other knaves. That is one of the penalties they pay for wanting to make money too fast and without regard to honesty.

It is hardly reasonable to suppose that the people of the great State of Kentucky will quietly sit back and allow Winchester to wreak vengeance and revenge through our Courts, simply because she lost a big commercial enterprise.

THE Ohio State Board of Pharmacy has adopted a resolution to prohibit the sale of medicines on street corners by unlicensed persons. The resolution will be embodied in a bill to be presented to the next Legislature for enactment into law.

THE repudiation of the State-wide Prohibition proposition down in Alabama by an enormous vote is a mighty big straw which shows how the temperance wind is blowing and wobbling. We don't mean any disrespect to the temperance movement when we again declare that local option, State-wide Prohibition, and the other isms along the same lines, as remedies for drunkenness, are lamentable failures and travesties on sobriety.

The net results of a "brainstorm" suffered by Clyde Weaver at Gettysburg late Monday are two murdered, two badly wounded and the suicide of the maniac. The first victim of the madman's frenzy was his mother, the second Deputy Sheriff W. H. Farra, and those seriously shot are Levi Minnich and his wife, neighbors. Weaver was 34 and a peddler of junk.

Not a "Cure-All"

Separate Remedies, Each Devised for the Treatment of a Particular Ailment

There is no "cure-all" among the Rexall Remedies. There are different and separate medicines, each one devised for a certain human ailment or a class of ailments closely allied. For instance, Rexall Dyspepsia Tablets are recommended for the positive relief of stomach irritation, indigestion, flatulency and dyspepsia. They are rich in Bismuth-Subnitrate, Pepsin and Carminatives. They are prepared by special processes which perfect and enhance the great remedial value of these well-known medicinal agents. This remedy sells for 25 cents, 50 cents and \$1 per package. Every one suffering from stomach disorder should try Rexall Dyspepsia Tablets, inasmuch as they cost nothing if they do not satisfy.

Remember, Thos. J. Chenoweth's Drug Store is the only store in Maysville where these remedies may be obtained, and every one in need of medicine is urged to investigate and take advantage of the frank and generous manner in which they are sold.

Why Cough

Ask your doctor if all coughs are necessary. If not, then why cough? Ask him about Ayer's Cherry Pectoral.

Stop coughing! Coughing rasps and tears. Stop it! Coughing prepares the throat and lungs for more trouble. Stop it! There is nothing so bad for a cough as coughing. Stop it! Ayer's Cherry Pectoral is a regular doctor's medicine for coughs and colds.

A Plea for Mercy.

Ladies' Home Journal.

"I saw girls of 17 and 18 weeping with pain and weariness at 11 o'clock at night as with shaking fingers they made their counters attractive against the next day's brutal rush. I saw one girl drop in a dead faint after selling dolls to a fond mother of children. I saw little boys fall asleep in rubbish corners at the noon hour, their untasted luncheons in their tired hands."

"That night when I went to my supper I saw a boy, small for his 16 years, sitting on a box before the employees' elevator, for which he waited. He looked up at me and with the craving for sympathy innate in children, he sighed softly: 'Oh, my God, I wish 11 o'clock would come.'"

Pathetic, you say? Yet, but who is responsible for such sufferings? The women who delay their Christmas shopping until the last moment, for the above is an actual picture of poor worn-out and nerve-racked store clerks in Christmas week when the thoughtlessness of thousands of women compel shopkeepers to keep open their stores in the evenings. What trait is it in woman that she will procrastinate in her Christmas shopping? Is it so strange that she is called heartless and inhuman? We believe it is only heedlessness, but is this not being heedless to the point of being criminal? Cannot the average woman realize that it is to her own advantage, to say nothing of common human mercy to the shop clerks, to do her Christmas buying before December 15th? Every woman who does this does a Christlike act.

LOOKS DANGEROUS

Limestone Creek Embankment Caving In—Undermining Foundation Supporting C. and O. Viaduct Pier

The heavy stone abutment supporting the iron viaduct, together with one section of the massive structure that crosses the bottoms East from Limestone to Bridge street, looks shaky, at least, if not dangerous.

The frequent freshets that pour out of Limestone creek have caused the bank—owing to the sharp curve in the water course at this particular point—to slide into the creek bottom, thereby jeopardizing the safety of the foundation of one section of the superstructure, together with the North wing of the abutment wall.

The fact that fifty or more trains, passenger and freight, pass East and West over the viaduct every day should be an incentive for those having charge of keeping the road in proper condition to look into the matter.

A GREAT PUBLIC BENEFIT

However prejudiced some people are against advertised medicines the general public is greatly benefited by some. For instance such standard remedies as the Cod Liver and Iron preparation called VINOL. Its ingredients are printed on every bottle and its worth has been proven so often in cases of severe coughs and colds and to create health and strength for the weak and run-down that its sale will continue to increase in the future as it has in the past. ANSWERS EVERY CALL

Maysville People Have Found That This is True.

A cold, a strain, a sudden wrench. A little cause may hurt the kidneys. Spells of backache often follow. Or some irregularity of the urine. A certain remedy for such attacks. A medicine that answers every call, is Doan's Kidney Pills, a true specific. Thousands of people rely upon it. Here is one case: Ernest H. Staley, East Second street, Vanceburg, Ky., says: "I use Doan's Kidney Pills occasionally and can say that they never fail to give me prompt relief. I suffered from frequent spells of lumbago and at such times my kidneys became sluggish. An old gentleman finally recommended Doan's Kidney Pills to me and he spoke so highly of them that I procured a box and began their use. They were satisfactory in every respect and gave me the best of results. I always keep Doan's Kidney Pills on hand in case of any recurrence of my trouble."

For Laundry Use.

Is a very high grade of bluing and specially prepared with the utmost care. Gives clothes a bright, fresh shade, with a beautiful lustre. It does in no way streak the clothes, as these cheap, inferior grades do. Many of the finest laundries throughout the country use this bluing daily with perfect satisfaction. You will like it. One ten-cent powder, put into a quart of clear fresh water, will make you as much excellent bluing, in liquid form, as you pay 50 cents for, and of a much better quality. You can make half a pint of excellent Blue Ink by dissolving the powder in half pint of water. Prepared by
